Printed inside its Touch controllers were phrases like "Big Brother is Watching" and "The Masons Were Here." Nate Mitchell, the cofounder of Facebook's Oculus unit, said the messages were intended for prototypes but included in production units by accident. Facebook said it wouldn't recall the controllers. Even knowing that, the company seems unable to avoid doing creepy things. In its latest blunder, Facebook accidentally left cryptic messages inside VR controllers like “Big Brother is Watching” and “The Masons Were Here.” Facebook began integrating its social platform into Oculus as soon as it purchased the company.
